Vine Church exists to connect 1,000 people to the life, love and freedom Jesus offers. We dream of seeing more people in church worshipping Jesus on Sunday than at the pub next door on a Saturday night.

We are seeking a passionate Children's Minister to build and lead a team of workers so that Christian children know, follow and treasure Jesus, and non-church kids are introduced to him.

If you love working with kids, training leaders, communicating with parents this is the role for you. You will enable us to raise kids who love Jesus.
